Dear Collector:

It is with great pride that we present you with this copy of our latest edition of ART OF THE ANCIENT WORLD (first published in 1965), illustrating 252 objects from one of the largest and most comprehensive collections of the ancient arts ever offered for sale. It includes an extensive selection of Classical and Egyptian antiquities from several major European and American collections. The price list (following pages) should clearly emphasize our attractive and competitive pricing. In addition to the many masterworks of art, we feature a wide variety of fine items priced from \$100 to \$2000, perfect for that very special personal or executive gift, or for the beginning collector. Our 55 years of expertise and connoisseurship in the ancient arts and 67 years in classical numismatics stand behind our guarantee of authenticity and fine quality.

You are cordially invited to visit our New York and London galleries to inspect our constantly changing inventory of over 2000 fine works of ancient art and to become acquainted with our friendly staff and many services. At no obligation we would be pleased to arrange a private viewing with guidance on a sophisticated, long-term program of collecting and investing in the fine arts.

Additional copies of this catalog are available upon request and will be mailed without charge.

We look forward to hearing from you!

Cordially,

Jerome M. Eisenberg, Ph.D.  
Director

F. Williamson Price  
Associate Director
